PROBATIONARY/PERMANENT STATUS

The Board of Trustees desires to employ and retain highly qualified classified personnel to support the district's educational program and operations. Newly hired classified employees shall serve a probationary period during which the Board shall determine their suitability for long-term district employment.

A probationary employee who has been employed by the district for six months or 130 days of paid service, whichever is longer, shall be classified as a permanent employee of the district. (Education Code 45113, 45301)

However, in order to receive permanent classified service status, a full-time district police officer or public safety dispatcher who operates a dispatch center certified by the Commission on Peace Officer Standards and Training shall serve in a probationary status for not less than one year from the date of appointment. (Education Code 45113, 45301)

The district may, without cause, dismiss a new employee during the probationary period.

Permanent employees promoted to a higher classification shall be considered probationary in their new position until they have satisfactorily completed the probationary period.

A permanent employee who accepts a promotion and fails to complete the probationary period for that promotional position shall be employed in the classification from which the employee was promoted. (Education Code 45113, 45301)

LAYOFF/REHIRE

Classified employees shall be subject to layoff for lack of work or lack of funds. (Education Code 45114, 45308)

A classified employee shall not be laid off if a short-term employee is retained to render a service that the classified employee is qualified to render. (Education Code 45117)

Order of Layoff Within a Classification/Determination of Seniority

Within each class, the order of layoff shall be determined by length of service. (Education Code 45114, 45308)

Length of service shall be determined by the date of hire. The employee who has been employed the shortest time in the class, plus higher classes, by the district shall be laid off first. (Education Code 45308)

For an employee in a "restricted position" under Education Code 45105 or 45259, the original date of employment in the restricted position shall be used to determine the length of service, provided the employee has completed six months of satisfactory service and has successfully passed the qualifying examination required for service in the class. (Education Code 45105)

Notice of Layoff and Hearing Rights

Whenever a permanent classified employee is to be laid off for lack of work or lack of funds, the Superintendent or designee shall, no later than March 15 and before the employee is given formal notice by the Governing Board, give to the employee written notice of the recommendation, the reasons that the employee's services will not be required for the ensuing year, any displacement rights, reemployment rights, and the employee's right to a hearing. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 45117, Government Code 11503 and 11505, and other applicable provisions of law. (Education Code 45117)

An employee who is so notified may request a hearing to determine if there is cause for not reemploying the employee for the ensuing year. The request shall be in writing and shall be delivered to the person who sent notice to the employee, on or before March 15 but not less than seven days after the date the notice is served on the employee. Failure of an employee to request a hearing on or before the date specified shall constitute a waiver of the employee's right to a hearing. (Education Code 45117)

LAYOFF/REHIRE

The Superintendent or designee shall serve an employee who timely requests a hearing with the District Statement of Reduction in Force documents. The employee has five calendar days from service of the documents to timely file a notice of participation with the district. The parties are entitled to discovery, if requested within 15 days of service. (Education Code 45117)

If a hearing is requested by a permanent classified employee, the proceeding shall be conducted and a decision made by an administrative law judge in accordance with Government Code 11500-11529. At the hearing, the employee may be represented by an attorney or by a nonattorney or by a nonattorney representative of the employee organization designated as the exclusive representative for classified employees. The Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge's proposed decision. None of the findings, recommendations, or determinations in the proposed decision prepared by the administrative law judge shall be binding on the Board. (Education Code 45117)

Following the Board's decision, the Superintendent or designee shall give final notice of termination to the affected employee(s) before May 15 unless a continuance was granted after a request for hearing was made, in which case such date may be extended by the number of days of the continuance. (Education Code 45117)

If during the time between five days after the enactment of an annual Budget Act and August 15 of the fiscal year to which the Budget Act applies, the Board determines that the district's local control funding formula apportionment per unit of ADA for that fiscal year has not increased by at least two percent, and that it is therefore necessary to decrease the number of classified employees due to lack of work or lack of funds, the Board may issue a District Statement of Reduction in Force to those employees in accordance with a schedule of notice and hearing adopted by the Board, and layoff proceedings shall be carried out as required by law. (Education Code 45117)

When classified positions are eliminated as a result of the expiration of a specifically funded program, the district shall give written notice to the affected employee(s) not less than 60 days prior to the effective date of the layoff informing the employee(s) of the layoff date, any displacement rights, and employment rights. (Education Code 45117)

The district is not required to provide a layoff notice to any person hired as a short-term employee for a period not exceeding 60 days whose service may not be extended or renewed. (Education Code 45117)

Additionally, the district may release probationary classified employees without notice or hearing for reasons other than lack of work or lack of funds. (Education Code 45117)

LAYOFF/REHIRE**Reemployment**

Classified employees laid off because of lack of work or lack of funds shall be eligible for reemployment for a period of 39 months and shall be reemployed in preference to new applicants. Reemployment shall be in order of seniority. Persons so laid off also have the right to apply and establish their qualification for vacant promotional positions within the district during the 39-month period. (Education Code 45114, 45298, 45308)

When a vacancy occurs, the district shall give the employee with the most seniority an opportunity to accept or reject the position, by first calling the employee at the employee's last known telephone number to notify the employee of the vacancy and then sending written notice by certified and standard mail to the employee's last known address. The employee shall advise the district of the decision by any means no later than 10 calendar days from the date the notice was sent. If the employee accepts, the employee shall report to work no later than two calendar weeks from the vacancy notification date or on a later date specified by the district.

In order to be reemployed, the employee must be capable of performing the essential duties of the job with or without reasonable accommodations. When an otherwise eligible employee is unable to perform the essential duties of the job, the employee shall be kept on the reemployment list until another opportunity becomes available or the period of reemployment eligibility expires, whichever occurs first.

Upon rejecting two offers of reemployment, the employee's name shall be removed from the reemployment list and the employee will forfeit all reemployment rights to which the employee would otherwise be entitled.

When an employee is notified of a vacancy and fails to respond or report to work within time limits specified by district procedures, the employee's name shall be removed from the reemployment list and all reemployment rights to which the employee would otherwise be entitled shall be forfeited.

If an employee is reemployed in a new position and fails to complete the probationary period in the new position, the employee shall be returned to the reemployment list for the remainder of the 39-month period. The remaining time period shall be calculated as the time remaining in the 39-month period as of the date of reemployment. (Education Code 45114, 45298)

Reinstatement of Benefits

When a laid-off employee is reemployed, all accumulated sick leave credit shall be restored.

LAYOFF/REHIRE

A laid-off permanent employee shall be reemployed with all rights and benefits accorded at the time of layoff.

A laid-off probationary employee shall be reemployed as a probationary employee, and the previous time served toward the completion of the required probationary period shall be counted. The employee shall also be reemployed with all rights and benefits accorded to a probationary employee at the time of layoff.

A laid-off employee, when reemployed, shall be placed on the salary step held at the time of layoff. An employee who was bumped into a lower class shall, when reinstated to the previous class, be placed on the salary step to which the employee would have progressed had the employee remained there. An adjusted anniversary date shall be established for step increment purposes so as to reflect the actual amount of time served in the district.

Voluntary Demotion or Reduction of Hours

Classified employees who take voluntary demotion or voluntary reduction in assigned time in lieu of layoff, or in order to remain in their present position rather than be reclassified or reassigned, shall be granted the same rights as employees who are laid off. In addition, such employees shall retain eligibility to be considered for reemployment in their previously held class or position with increased assigned time, for an additional period of time up to 24 months as determined by the Board on a class-by-class basis, provided that the same test of fitness under which they qualified for appointment to that class shall still apply. (Education Code 45114, 45298)

Employees who take voluntary demotion or voluntary reduction in assigned time in lieu of layoff shall have the option of returning to a position in their former class or to positions with increased assigned time as vacancies become available and without limitation of time. If there is a valid reemployment list, they shall be ranked on that list in accordance with their proper seniority. (Education Code 45114, 45298)

disciplinary action, a statement of charges, and the results of the Skelly review process. The notice shall include a statement advising the employee of the right to request a Board hearing on the matter. (Education Code 45113, 45116)

If the employee fails to request a hearing within the time specified in the notice, the employee is deemed to have waived the right to do so, and the Board may order the recommended disciplinary action into effect immediately.

If a timely request is submitted, a hearing shall be conducted by the Board or by a third-party hearing officer, in accordance with law. (Education Code 45113, 45312)

A classified employee who timely requests a hearing may only be suspended, demoted, or dismissed pending the outcome of the hearing in accordance with Education Code 45113 and as specified in the accompanying administrative regulation.

The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board and the availability of legal counsel and witnesses. The employee shall be notified of the time and place of the hearing.

The hearing shall be held in closed session, unless the employee requests that the matter be heard in an open session meeting. (Government Code 54957)

The employee shall be entitled to appear personally, produce evidence, and be represented by legal counsel.

The Board may use the services of its legal counsel in ruling upon procedural questions, objections to evidence, and issues of law. The Board may review and consider the records of any prior personnel action proceedings against the employee in which a disciplinary action was ultimately sustained and any records contained in the employee's personnel files and introduced into evidence at the hearing. The Board shall not be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made by the Board.

At any time before a matter is submitted to the Board for decision, the Superintendent or designee may, with the consent of the Board, serve on the employee and file with the Board an amended or supplemental recommendation of disciplinary action. If the amended or supplemental recommendation includes new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

Following the hearing or, if the employee has not requested a hearing, after reviewing the Superintendent or designee's recommendation for disciplinary action, the Board shall affirm, modify, or reject the recommended disciplinary action. The decision of the Board shall be in writing and shall contain findings of fact and the disciplinary action approved, if any. The

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION - *Continued*

decision of the Board shall be final.

Within 10 working days of the Board's final decision, a copy of the decision shall be delivered to the employee and/or designated representative personally or by registered mail.

Except for an allegation of egregious misconduct in which a minor is involved, the Board may delegate the authority to determine whether sufficient cause exists for disciplinary action to an impartial third-party hearing officer. When a matter is heard by a third-party hearing officer, the Board shall review the determination and adopt or reject the recommended decision. (Education Code 45113)

When any matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a witness who is a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. In such cases, the ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45113)

Compulsory Leave of Absence

Upon being informed that a classified employee has been charged with a mandatory leave of absence offense, the Superintendent or designee shall immediately place the employee on a compulsory leave of absence. (Education Code 44940, 44940.5, 45304)

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION

Causes for Disciplinary Action

A permanent classified employee may be subject to suspension, demotion, involuntary reassignment, or dismissal for one or more of the following causes:

1. Immoral conduct, including, but not limited to, egregious misconduct that is the basis for a sex offense as defined in Education Code 44010, a controlled substance offense as defined in Education Code 44011, or child abuse and neglect as described in Penal Code 11165.2-11165.6
2. Conduct that constitutes a violent or serious felony as defined in Penal Code 667.5(c) or 1192.7(c)
3. Unlawful discrimination, including harassment, against any student or other employee
4. Violation of or refusal to obey state or federal law or regulation, Board policy, or district or school procedure
5. Falsification of any information supplied to the district, including, but not limited to, information supplied on application forms, employment records, or any other school district records
6. Unsatisfactory performance
7. Unprofessional conduct
8. Dishonesty
9. Neglect of duty or absence without leave
10. Insubordination
11. Use of alcohol or a controlled substance while on duty or in such close time proximity thereto as to affect the employee's performance
12. Destruction or misuse of district property
13. Failure to fulfill any ongoing condition of employment including, but not limited to, maintenance of any license, certificate, or other similar requirement specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

14. A physical or mental condition which precludes the employee from the proper performance of duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law
15. Retaliation against any person who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on or directly related to the job
16. Violation of Education Code 45303 or Government Code 1028 prohibiting the advocacy or teaching of communism
17. Any other misconduct which is of such nature that it causes discredit or injury to the district or the employee's position

No disciplinary action shall be taken for any cause that arose before the employee became permanent, nor for any cause that arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district. (Education Code 45113)

Initiation and Notification of Charges

The Superintendent or designee shall provide notice to the employee of a recommendation for discipline, which includes the charges and materials upon which the recommendation is based. The notification shall identify an impartial district official ("Skelly officer") with whom the employee may meet at a specified time and place or to whom the employee may provide a written response to the recommendation of discipline. After meeting with the employee or considering any response from the employee, the Skelly officer shall recommend to the Superintendent or designee whether to proceed with the recommendation for discipline.

The Superintendent or designee shall file any final recommendation for a disciplinary action in writing with the Governing Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address.

The notice shall, in ordinary and concise language, inform the employee of the specific charge(s) or cause(s) for the disciplinary action, the specific acts and omissions upon which the action is based, and, if applicable, the district rule or regulation that the employee has allegedly violated. In addition, the notice shall include the employee's right to a hearing on those charges, the time within which the hearing may be requested which shall be not less

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

than five days after service of the notice to the employee, and a card or paper which the employee may sign and file to deny the charges and request a hearing. (Education Code 45113, 45116)

Request for Board Hearing

Within the time specified in the notice of the recommendation of disciplinary action, the employee may request a hearing on the charges by signing and filing the card or paper included with the notice. (Education Code 45113)

Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of the request for a hearing. The request shall be delivered to the office of the Superintendent or designee during normal work hours of that office. If mailed to the office of the Superintendent or designee, it must be received or postmarked no later than the time limit specified by the district. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any request for a hearing on the dismissal shall also constitute a request to hear the suspension order, and the necessity of the suspension order shall be an issue in the hearing.

Employment Status Pending a Hearing

A classified employee against whom a recommendation for disciplinary action has been issued may remain on active duty or may be placed on paid leave pending a hearing on the charges. The employee shall not be suspended without pay, suspended or demoted with a reduction in pay, or dismissed pending the outcome of a timely requested hearing, except as specified below. (Education Code 45113)

However, the disciplinary action may be imposed prior to the decision if the Board, or an impartial third-party hearing officer provided pursuant to a collective bargaining agreement, finds by a preponderance of the evidence that at the time discipline was imposed, the employee (1) engaged in criminal misconduct, (2) engaged in misconduct that presents a risk of harm to students, staff, or property, or (3) committed habitual violations of the district's policies or regulations. Such finding(s) must be made at the conclusion of the Skelly review process. (Education Code 45113)

In such cases where the disciplinary action is imposed prior to the decision, the employee shall be given written notice of the disciplinary action and the findings made at the conclusion of the Skelly review process. Such written notice shall be served upon the employee personally.

In addition, the district may cease paying the employee if a decision has not been rendered by an impartial third-party hearing officer, pursuant to a collective bargaining agreement, or the Board within 30 days of the date the hearing was requested. (Education Code 45113)

Compulsory Leave of Absence

Upon being informed by law enforcement that a classified employee has been charged with a "mandatory leave of absence offense," the Superintendent or designee shall immediately place the employee on a leave of absence. A mandatory leave of absence offense includes:

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

1. Any sex offense as defined in Education Code 44010
2. Violation or attempted violation of Penal Code 187 prohibiting murder or attempted murder
3. Any offense involving the unlawful sale, use, or exchange to minors of controlled substances as listed in Health and Safety Code 11054, 11055, and 11056

The Superintendent or designee may place on an immediate compulsory leave of absence a classified employee who is charged with an "optional leave of absence offense," defined as a controlled substance offense specified in Education Code 44011 and Health and Safety Code 11357-11361, 11363, 11364, and 11370.1 except as it relates to marijuana, mescaline, peyote, or tetrahydrocannabinols. (Education Code 44940, 44940.5, 45304)

An employee's compulsory leave for a mandatory or optional leave of absence offense may extend for not more than 10 days after the entry of judgment in the criminal proceedings. However, the compulsory leave may be extended if the Board gives notice, within 10 days after the entry of judgment in the proceedings, that the employee will be dismissed within 30 days from the date of service of the notice unless the employee demands a hearing on the dismissal.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (Merit System)

The Board of Trustees expects all employees to perform their jobs satisfactorily and exhibit professional and appropriate conduct. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law, any applicable collective bargaining agreement, and the rules of the personnel commission.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance. An employee's private exercise of personal beliefs and activities, including religious, political, cultural, social, or other beliefs or activities, or lack thereof, shall not be grounds for disciplinary action against the employee, provided that the beliefs or activities do not involve coercion of students or any other violation of law, Board policy, or administrative regulation.

In addition, an employee shall not be suspended, disciplined, reassigned, transferred, dismissed, or otherwise retaliated against solely for acting to protect a student engaged in exercising any free speech or press right authorized by, or for refusing to infringe upon a student's conduct protected pursuant to, Education Code 48907 or 48950.

Disciplinary actions may include, but are not limited to, verbal and written warnings, involuntary reassignment, demotion, suspension without pay, reduction of pay step in class, compulsory leave, and dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

A probationary classified employee may be dismissed without cause at any time prior to the expiration of the probationary period.

A permanent classified employee shall be subject to suspension, demotion, or dismissal only for one or more of the causes designated by rule of the personnel commission. (Education Code 45302, 45304)

When such serious disciplinary action is being contemplated against an employee, the district shall adhere to disciplinary procedures developed by the personnel commission. Due process shall be afforded to the employee, including proper notice, an opportunity for the employee to meet with a designated district official ("Skelly officer") or to respond in writing to the charges, and an opportunity to appeal the district's decision with the personnel commission in accordance with Education Code 45305-45307. If the matter is addressed in a hearing before the personnel commission, the decision of the personnel commission shall be final.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (Merit System)

However, if the matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a witness who is a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. The ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45312)

2. Be a person of integrity, clean speech, desirable personal habits, and physical fitness.
3. Be just in my criticism and be generous in my praise; to improve and not destroy.
4. At all times be courteous in my relations with students, parents, teachers and others.
5. Be a resourceful person who readily adapts himself to different kinds of work and changed conditions and finds better ways to do things.
6. Conduct myself in a spirit of friendly helpfulness to my fellow employees to the end that I will consider no personal success legitimate or ethical which is secured by taking unfair advantage of another.
7. Associate myself with employees of other districts for the purpose of discussing school problems and cooperating in the improvement of public school conditions.
8. Always uphold my obligations as a citizen to my nation, my state, my school district and my community, and give them unswerving loyalty.
9. Always bear in mind that the purpose of CSEA is to promote the efficiency and raise the standards of all school employees and that I shall be equally obligated to assist all my fellow workers.

PERSONAL ILLNESS/INJURY LEAVE

Classified employees employed five days a week are entitled to 12 days' leave of absence with full pay for personal illness or injury (sick leave) per fiscal year. Employees who work less than a full fiscal year or fewer than five days a week (part-time employees) shall be granted sick leave in proportion to the time they work. However, part-time employees who are entitled to less than 24 hours of paid sick leave per fiscal year due to the amount of time worked shall be granted sick leave pursuant to Labor Code 246, if they are eligible. (Education Code 45191; Labor Code 245-249)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

Use of Sick Leave

A classified employee may use sick leave for absences due to:

1. Accident or illness, whether or not the absence arises out of or in the course of employment, or by quarantine which results from contact in the course of employment with other persons having a contagious disease (Education Code 45199)
2. Pregnancy, miscarriage, childbirth, and related recovery (Education Code 45193)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity (Education Code 45207)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour
5. Industrial accident or illness when leave granted specifically for that purpose has been exhausted (Education Code 45192)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

6. Need of an employee to bond with a child within one year of the child's birth, adoption, or foster care placement (parental leave) (Education Code 45196.1; Government Code 12945.2, 12945.6; 29 USC 2612; 29 CFR 825.112)
7. Need of the employee or the employee's family member, including a designated person, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Government Code 12945.2; Labor Code 233, 246.5)
8. Need of the employee to seek or obtain any relief or medical attention specified in

PERSONAL ILLNESS/INJURY LEAVE (continued)

Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee or the employee's child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave that would be accrued during six months at the employee's then current rate of entitlement. (Labor Code 233)

An employee may take leave for personal illness or injury at any time during the year, even if credit for such leave has not yet been accrued. However, a new full-time classified employee shall not be entitled to more than six days of sick leave, or the proportionate amount to which the employee may be entitled, until the first day of the month after the employee has completed six months of active service with the district. (Education Code 45191)

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 45191)

An employee shall reimburse the district for any unearned sick leave used as of the date of termination.

The district shall not require newly employed classified employees to waive leave accumulated in a previous district. However, if the employee's previous employment was terminated for cause, the transfer of the accumulated leave shall be made only if approved by the Governing Board. (Education Code 45202)

The Superintendent or designee shall notify any classified employee whose employment with the district is terminated after at least one calendar year for reasons other than for cause that, if the employee accepts employment in another district, county office of education, or community college district within one year of the termination of employment, the employee may request that the district transfer any accumulated sick leave to the new employer. (Education Code 45202)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a classified employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 12 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or higher by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time worked. (Education Code 45191.5)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of the disability application to the U.S. Department of Veterans Affairs or on the first day the employee begins or returns to employment after

PERSONAL ILLNESS/INJURY LEAVE (continued)

active duty, whichever is later. When the employee receives the disability rating decision, the employee shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 12-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 45191.5)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 45191.5)

Notification of Absence

An employee shall notify the Superintendent or the designated manager or supervisor of the need to be absent as soon as such need is known so that the services of a substitute may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which the employee intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

When a classified employee has exhausted all paid leaves, including sick leave, and continues to be absent on account of illness or injury for a period of five months or less, the district shall deduct from the employee's regular salary for that period an amount that does not exceed the actual cost of a substitute to fill the position. (Education Code 45196)

The five-month period shall commence on the first day of the leave of absence and shall run concurrently with any other paid leave.

Parental Leave

During each school year, a classified employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period of up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code 45196.1)

PERSONAL ILLNESS/INJURY LEAVE (continued)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 45196.1)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay of at least 50 percent of the employee's regular salary for the remainder of the 12 work weeks. (Education Code 45196.1)

Parental leave taken pursuant to Education Code 45196.1 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 45196.1; Government Code 12945.2, 12945.6)

Extension of Leave

A permanent employee who is absent because of a personal illness or injury and who has exhausted all available sick leave, vacation, compensatory overtime, and any other paid leave shall be so notified, in writing, and offered an opportunity to request additional leave. The Board may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. The total additional leave granted shall not exceed 18 months. (Education Code 45195)

(cf. 4216 - Probationary/Permanent Status)

If the employee is still unable to return to work after all available paid and unpaid leaves have been exhausted, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes medically able, the employee shall be offered reemployment in the first vacancy in the classification of the employee's previous assignment. During the 39 months, the employee's reemployment shall take preference over all other applicants except those laid off for lack of work or lack of funds, in which case the employee shall be ranked according to seniority. (Education Code 45195)

Verification Requirements

After any absence due to illness or injury, the employee shall submit a completed and signed district absence form to the employee's immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for

PERSONAL ILLNESS/INJURY LEAVE (continued)

additional leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny the request for additional leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from a physician stating that the employee is able to return to work and stipulating any necessary restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Short-Term and Substitute Employees

Except for a retired annuitant who is not reinstated to the retirement system, short-term or substitute employees who work for 30 or more days within a year of their employment shall be credited with 24 hours or three days of paid sick leave for that year. Unused sick leave shall not carry over to the following year of employment. (Labor Code 246)

Short-term or substitute employees may begin to use accrued paid sick days on the 90th day of their employment, after which they may use the sick days as they are accrued. (Labor Code 246)

A short-term or substitute employee may use accrued sick leave for absences due to: (Labor Code 246.5)

1. The employee's own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care
2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or the employee's child, when the employee has been a victim of domestic violence, sexual assault, or stalking

Healthy Workplaces, Healthy Families Act Requirements

No employee, including a short-term or substitute employee, shall be denied the right to use

PERSONAL ILLNESS/INJURY LEAVE (continued)

accrued sick days and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:
 - a. That an employee is entitled to accrue, request, and use paid sick days
 - b. The number of sick days provided by Labor Code 245-249
 - c. The terms of use of paid sick days
 - d. That discrimination or retaliation against an employee for requesting and/or using sick leave is prohibited by law and that an employee has the right to file a complaint with the Labor Commissioner if the district discriminates or retaliates against the employee
2. Provide at least 24 hours or three days of paid sick leave to each eligible employee to use per year and allow eligible employees to use accrued sick leave upon reasonable request
3. Provide eligible employees written notice, on their pay stub or other document issued with their pay check, of the amount of paid sick leave they have available

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

4. Keep a record documenting the hours worked and paid sick days accrued and used by each eligible employee for three years

INDUSTRIAL ACCIDENT/ILLNESS LEAVE

In each fiscal year, allowable leave for any single industrial accident or illness shall be for 60 working days. (Education Code 45192)

(cf. 4113.4/4213.4/4313.4 - Temporary/Modified Light-Duty Assignment)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

(cf. 4157.2/4257.2/4357.2 - Ergonomics)

(cf. 4161/4261/4361 - Leaves)

Allowable leave shall not accumulate from year to year. (Education Code 45192)

When a classified employee is absent from his/her duties because of an industrial accident or illness: (Education Code 45192)

1. Industrial accident or illness leave shall start on the first day of absence.
2. Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day.
3. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence, regardless of a compensation award made under workers' compensation.
4. If an industrial accident or illness leave overlaps into the next fiscal year, the employee is entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

Upon expiration of allowable leave for an industrial accident or illness, the employee shall use personal illness and injury leave as provided by Education Code 45191. If the employee continues to receive workers' compensation, he/she shall be entitled to use only as much of his/her accumulated or available sick leave, accumulated compensating time, vacation or other available leave as, when added to the employee's workers' compensation award, will provide for a full day's wage or salary. (Education Code 45192)

(cf. 4261.1 - Personal Illness/Injury Leave)

During any paid leave of absence, the employee shall endorse to the district the workers' compensation checks received on account of his/her industrial accident or illness. In those cases, the district shall issue appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement and other authorized contributions. (Education Code 45192)

When available paid leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request additional leave. (Education Code 45192)

INDUSTRIAL ACCIDENT/ILLNESS LEAVE (continued)

When all available leaves of absence, paid or unpaid, have been exhausted and the employee is not medically able to assume the duties of his/her position, the employee shall be placed either in another position or on a reemployment list for a period of 39 months. If during this time the employee becomes medically able, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates, except for a reemployment list established because of lack of work or lack of funds, in which case the employee shall be listed in accordance with appropriate seniority regulations. An employee who has been placed on a reemployment list and has been medically released for return to duty, but fails to accept an appropriate assignment, shall be dismissed. (Education Code 45192)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

Any employee receiving benefits under this leave shall, during periods of injury or illness, remain within the State of California unless the Board of Trustees authorizes travel outside the state. (Education Code 45192)

During this leave, the employee may return to his/her position without suffering any loss of status or benefits. Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee. (Education Code 45192)
